Top listing 25 years in a row

The certificate is awarded to reputable companies that have met at least three of the above criteria. (Ranking ranges from A3 to A1, with A3 being the highest level.) The certificate demonstrates the company's credibility and recognises the way it has managed its assets in the current year. (Public figures, company history and industry reputation.) The certificate is officially approved for use in tenders. This company has been evaluated and approved by Kredittreform AS.

Company registration number: 921 676 662. Date: 30.11. 2020
